Letter of Recommendation

To whom it may concern:

I am pleased to write a letter of recommendation for Bjork Weenk. She was my student in the Frontend Development Industry Training from Aug 14th, 2022, to Sept 10th, 2022, and I believe that I am in a solid position to recommend her.

As her tutor, I have had an opportunity to observe her participation and interaction in class and to evaluate Bjork's knowledge of the subject matter. She is an outstanding student in all respects. Bjork has proven that through hard work, follow-through, and teamwork, she can accomplish tasks in a courteous and timely manner. Bjork is well equipped to grow from the challenges that she is presented with. Her proactivity, good staging, and fast learning skills prepare her beautifully for your organization.

I strongly endorse making Bjork Weenk a member of your team.

Sincerely,

A. Milenkovic
